

# 1-Day Workshop on Clause-by-Clause Analysis of Islamic Banking Documentation

## Introduction

Islamic Banking in the modern world, generally aims to promote and develop the application of Islamic principles, law and traditions to transactions of financial, banking and related business affairs. The underlying principles that govern Islamic banking are mutual risk-taking and profit sharing between parties, the assurance of fairness for all and that transactions are based on an underlying business activity or asset.

## Pre-Requirements

Fundamental knowledge of Islamic Banking Facilities is highly recommended.

## Price

Single participant	RM999.00 per participant
Group (above 3 participant)	RM799.00 per participant

## Training Method

Workshops involve a mix between lecture, clause-by-clause analysis and case study.

## Course Leader

Ahmad Lutfi Abdull Mutalip of Azmi & Associates
